

V. M. I. Wins from Carolina Aggies--Tigers Lose to Harvard

YOUELL'S PUNTING PROVES UNDOING OF A. & M. HOPES

V. M. I. Eleven Surprises All by Taking Measure of Carolinians.

SOLDIER SQUAD BATTLES GAMELY

Fast and Snappy Play Marks Contest From Beginning—Both Teams Keen for Battle, and Neither Lets Up—Lexington Captain's Toe Proves Final Factor in Reaching a Decision. Poor Passing by Pleyer, for Farmers, Is Costly.

Completely upsetting every particle of advance hope, the cadet eleven from the Virginia Military Institute yesterday administered a most signal and most significant defeat to the sturdy warriors from the North Carolina Agricultural and Mechanical College, winning by a score of 14 to 7, in sixty minutes of wearing battle before a crowd estimated at 3,000. It is the first game the Aggies have lost this season.

Outweighed, the soldiers from Lexington came upon the field second choices among the form players. The Aggies, through the record they have made this season, stood head and shoulders above their opponents—on paper. It was the old, old story of the best laid plans of mice and men. The Farmers from Down Home entered the arena chock-full of confidence. The best of the followers of the Lexingtonians could muster was hope, at times a forlorn hope, but still hope.

The game had progressed but a few minutes when the knowing began to form a vastly different opinion of the outcome. Still laying close to the advance information, they believed that the Carolinians would eventually win, but that it would be a far closer contest than was anticipated. Part of their reasoning was correct—it was unquestionably a closer contest than had been written in the antemortem statements, and more, the wrong side won.

Story of a Tie.

CLUBHOUSE PLAN MEETS APPROVAL

Architects Are Making Drawings for Municipal Athletic Building at Byrd Park.

Interest still is centered in the municipal clubhouse which the Richmond Amateur Athletic Federation hopes to see at Byrd Park in the spring. A man high up in the affairs of the city has suggested that there be an association of clubs and that the city employ twelve or fifteen men could be selected from each department of the city, trained for the events, and then an afternoon convention for all set aside and one grand field day held.

The idea has been talked around and is gaining favor daily. A municipal field day would undoubtedly attract several thousand out in the open and be of great benefit to the young men who are working for the interest of Richmond.

The West End Citizens' Association is taking a great interest in the municipal clubhouse plan, and when the time comes for real action the association comes for real action representation will be on hand to urge the passage of the measure. While the clubhouse is to be open to every white man and boy in Richmond, the fact that it is to be a great improvement to the West End has gained the support of these men.

One West End man who has two growing boys who play football and indulge in other sports, said that several times within the past few years he has had to pay large doctor bills as a result of severe colds his boys contracted by having to ride home in the cold after having exercised. Had there been a place where they could have changed their clothes and had a bath, such a thing would not have occurred.

Carnell & Johnson are working on plans for the new clubhouse. They are helping the cause along, and when the time comes for real action the association comes for real action representation will be on hand to urge the passage of the measure. While the clubhouse is to be open to every white man and boy in Richmond, the fact that it is to be a great improvement to the West End has gained the support of these men.

Carolina Aggies Ready to Smash Into V. M. I.'s Line. The Play is in Midfield, Where it Remained Throughout the First Half.

GENERALS SCORE TWO TOUCHDOWNS

Play True to Form and Win From University of North Carolina.

DARKNESS CURTAILS GAME

Field in Bad Condition—Tarheels Miss Chance to Score Touchdown.

Lynchburg, Va., November 8.—Washington and Lee defeated University of North Carolina here this afternoon 14 to 0, under conditions that made football impossible. Still the contest was fought fiercely until it was necessary to stop it with only ten minutes of the last quarter played. At that time Carolina had the ball on the Washington and Lee's eleven-yard line, and had just made first down. The gathering darkness and a pouring rain made further play impossible from the officials' standpoint, if not from the players.

Washington and Lee had to work hard for the two touchdowns, both of them coming in the second quarter. Several times it appeared as though the Tarheels would score, but early in the game a fine opportunity was lost by a fumble, which gave the ball to the White and Blue.

Washington and Lee kicked off, and the ball was back and forth for a time until Young failed on an attempt to kick goal from placement. This effort was from the twenty-yard line.

TURNER-ALBRIGHT MATCH AT ACADEMY

Middleweight Grapplers in Championship Bout Friday Night. Other Bouts Pending.

The first of a series of wrestling bouts between middleweights and heavyweights of fame will be staged at the Academy of Music on Friday night, when Joe Turner will go against Con. Albright and attempt to wrest from the "Western Wildcat" the Police Gazette belt, which Albright won from Turner in this city during the early fall. Since winning the belt Albright has met Young Olson, a Greek champion of Sweden, and Kilonis, a Greek champion in Norfolk last Thursday night, and while there is some question as to the work of the referee, and the certainty of rough work by Kilonis, there is no question but that the Greek is a wrestler of merit, and will doubtless prove a factor in future battles for the belt.

Joe Turner is in training at his headquarters in Washington, and writes from there that he is confident that he will weigh 155 pounds at ring-side Friday night, and will be in condition to give Albright a hard battle.

Albright, with several other clever (Continued on Second Page.)

CHESTER GIRLS TAKE CLOSE GAME

Chester, Va., November 8.—The Girls' Basketball team of the Chester Agricultural High School today defeated the Petersburg High School team on the Chester court by a score of 11 to 6. Both sides did good team work, but the Petersburgers failed in throwing field goals. Chester's field work was good, but they were checked by Petersburg's good guards.

Summary: Chester—Field goals, 3; fouls, 4. Petersburg—Field goals, 2; fouls, 8. Referee, Miss G. A. Hatcher, of Chester. Umpire, Miss Pitcher, of Petersburg.

ROANOKE COLLEGE PLAYS GOOD GAME

Hampden-Sidney, Though Fighting Hard, Is Defeated by Salem Warriors.

Roanoke, Va., November 8.—The hefty eleven of Roanoke College this afternoon defeated Hampden-Sidney by a score of 14 to 0 in a game stubbornly contested from start to finish. The visitors were on the defensive practically all the time, never being in striking distance of Roanoke's goal, except in the second period, when, as a result of a gain of thirty yards around the left end, the ball was landed on Roanoke's ten-yard line. Here Roanoke was offside, and lost five yards on a penalty. The Salem boys were in close quarters, and tightened up to meet the emergency, and when the ball went over on downs they had crushed the Hampden-Sidney line back to the ten-yard line. They immediately kicked out of danger, the doctory little quarter back from Hampden-Sidney taking the ball, but being downed in his tracks. The half ended with the ball in midfield, in Hampden-Sidney's possession. Never again was the Tarheels would score, but early in the game a fine opportunity was lost by a fumble, which gave the ball to the White and Blue.

NAVY SURPRISES WITH BIG SCORE

Defeats Bucknell With Apparent Ease, Rolling Up 70 Points to 7.

Annapolis, Md., November 8.—The Navy today staged its most sanguine triumph this afternoon by winning from Bucknell by a score of 70 to 7. The powerful Navy line and hard-hitting backs were the main factors in this surprising victory, but the local team showed some success with the forward pass.

Nichols, who played quarter during one-half the game, electrified the spectators by his wonderful dodging, runs of from thirty to fifty yards being frequently reeled off by him.

Bucknell took a creditable brace at the beginning of the second half, and scored the only score of the third quarter, though the ball was left inside their five-yard line at the end of the period, and the Muskies had no difficulty in taking it over on a forward pass from Cruikshanks to Sullivan.

Summary: Navy—Field goals, 1; touchdowns, 10; points, 70. Bucknell—Field goals, 1; touchdowns, 1; points, 7. Referee, Mr. Forbush. Umpire, Mr. Robertson. Time of game, twenty minutes. Touchdowns, Anspach, W. Bunting. Goals, Krieger, 2.

JOHN MARSHALL'S PROSPECTS GOOD

Public School Expects to Turn Out Winning Basketball Five This Season.

The large squad of basketball players of the John Marshall High School has been putting in a lot of hard practice of late, and when the thinning out process starts a hard problem will face the coaches. There are a good many new players out this year, who show to good advantage. Some of last year's second team are also playing in better form.

While the schedule has not been made yet, it is probable that games with the Newport News High School and Norfolk High School will be on the list, while Portsmouth might be pulled in as well.

John Marshall made a good showing in basketball circles last year, and the prospect for an even better season is in sight. About twenty men have been out already, and some others, who are at present on the football team, will be out at the close of the pigskin season.

"Beaut" Turner is expected to go in for basketball, and if he should prove to be the player in basketball that he is in football and baseball he will be a valuable man to the team.

HIGH SCHOOL WINS FROM BLACKSTONE

Smashing Play of Locals, Led by Cosby and Owens, Brings Victory.

The John Marshall eleven came back with a vengeance yesterday in Blackstone, defeating the Blackstone Academy by a score of 20 to 0.

Although outweighed eight pounds to a man the locals fought like demons and succeeded in getting the jump on their opponents and kept them on the defensive during most of the game. The Blackstones were justifiably proud of John Marshall's thirty-yard line, but (Continued on Second Page.)

WESLEYAN FOOLS CATHOLIC SQUAD

Georgetown Beaten in Hard-Fought Contest With West Virginia University.

Washington, D. C., November 8.—West Virginia Wesleyan sprung a surprise in local football circles here today when it defeated Georgetown, one of the hardest-fought games of the local season by a score of 16 to 6.

The visitors were an aggressive lot of players who, with the advantage of a combination of weight and speed, showed superiority from start to finish. They uncoiled forward passing like a whip which has not been equaled here in many a day. Twelve attempts, seven were successful for gains ranging from twenty-five to seventy yards. Two of these resulted in touchdowns. Morrison, Wesleyan's left end, passed the ball with Neale receiving it on each occasion. The final drive was the real star of the game, and in the estimation of local critics, is far and away the best end who has appeared in this section.

Wesleyan scored first in the opening period on a forward pass from Morrison to Neale, the latter carrying the ball thirty yards for the score. Georgetown came back strong, and succeeded in touchdowns. Morrison, Wesleyan's left end, passed the ball with Neale receiving it on each occasion. The final drive was the real star of the game, and in the estimation of local critics, is far and away the best end who has appeared in this section.

Summary: Wesleyan—Field goals, 1; touchdowns, 2; points, 16. Georgetown—Field goals, 1; touchdowns, 1; points, 6. Referee, Mr. MacGillivray. Umpire, Mr. Morse, of Georgia. Time of game, twenty minutes each.

BLUES OVERWHELM FREDERICKSBURG

Colleagues Smothered Under 33 to 0 Score by Crack Militiamen.

Fredericksburg, Va., November 8.—The Richmond Blues defeated Fredericksburg College here in a splendid game of football this afternoon 33 to 0. The Blues probably averaged thirty pounds heavier than the locals. They scored in the first quarter on a touchdown by King, Sweeney, and a field goal by Gray. Second quarter, touchdown by Sweeney, goal by Gray. Third quarter, touchdown, Rose. No score in fourth period.

The college made a touchdown in the third period, but the ball touched a spectator on a forward pass to Games, and did not count.

Summary: Blues—Field goals, 1; touchdowns, 4; points, 33. Fredericksburg—Field goals, 0; touchdowns, 0; points, 0. Referee, Mr. Word, of University of Virginia. Umpire, Mr. Smith (University of Virginia).

SPIDERS WALLOP ORANGE AND BLACK

After Two Touchdowns in First Half, College Comes Back and Wins.

Newport News, Va., November 8.—After being played off its feet and having two touchdowns scored against it in the early part of the game, Richmond College came back strongly in the second half of its battle with the William and Mary College eleven here this afternoon and scored three touchdowns, winning by a score of 20 to 13. The last half was played in a fog that was so heavy that it was impossible for the spectators to distinguish the players from the stands and a crowding of the side lines resulted and the game was greatly delayed on that account.

That Richmond College has the better eleven there is no doubt, its team work being better than that of the Orange and Black, and it having more individual stars than the Williamsburg eleven produced. But of all the players who took part in the battle, Stanton Heitzey, the Phoenix youngster, stood out prominently, both for his offensive and defensive work.

Single-handed, almost, this youngster stood between Richmond College and victory in the early part of the game. Time and again he rushed into the line of scrimmage to pull down the opposing players, and not once did he (Continued on Second Page.)

Summary: Richmond—Field goals, 1; touchdowns, 3; points, 20. William and Mary—Field goals, 1; touchdowns, 1; points, 13. Referee, Mr. MacGillivray. Umpire, Mr. Morse, of Georgia. Time of game, twenty minutes each.

GEORGIA TECHS' HOPES SHATTERED

Defeat by Auburn Puts Crackers Out of Running for Southern Championship.

Atlanta, Ga., November 8.—Georgia Tech's hopes for the S. I. A. A. championship of 1913 were shattered here today when Auburn defeated them by a score of 13 to 0. Straight football, aggressively played, told the tale. Only twice was Tech within striking distance of the Auburn goal, but both times attempted goals from placement failed.

For the first two quarters Tech held Auburn to a scoreless tie. On the slippery field the Alabama backs appeared unable to start. In the third quarter, however, Auburn broke, and after a few minutes of play Marshall College here this afternoon 4 to 0. Straight football, aggressively played, told the tale. Only twice was Tech within striking distance of the Auburn goal, but both times attempted goals from placement failed.

In the fourth quarter Tech took a brace, but was unable to withstand the relentless hammering of the Auburn backs, and a few minutes later the game ended hard again as Tech was sent across the line. Arnold this time missing the try for goal.

Summary: Auburn—Field goals, 1; touchdowns, 2; points, 13. Georgia Tech—Field goals, 0; touchdowns, 0; points, 0. Referee, Mr. MacGillivray. Umpire, Mr. Morse, of Georgia. Time of game, twenty minutes each.

MARSHALL ELEVEN BEATEN BY TECHS

Blacksburg, Va., November 8.—In a pouring rain and on a field of mud, V. P. I. defeated Marshall College here this afternoon 4 to 0. Straight football, aggressively played, told the tale. Only twice was Tech within striking distance of the Auburn goal, but both times attempted goals from placement failed.

KLEVESAHN INDIVIDUAL STAR

Team as Whole Outplays William and Mary—Bertsche's Spectacular Play.

Richmond College has the better eleven there is no doubt, its team work being better than that of the Orange and Black, and it having more individual stars than the Williamsburg eleven produced. But of all the players who took part in the battle, Stanton Heitzey, the Phoenix youngster, stood out prominently, both for his offensive and defensive work.

Single-handed, almost, this youngster stood between Richmond College and victory in the early part of the game. Time and again he rushed into the line of scrimmage to pull down the opposing players, and not once did he (Continued on Second Page.)

Summary: Richmond—Field goals, 1; touchdowns, 3; points, 20. William and Mary—Field goals, 1; touchdowns, 1; points, 13. Referee, Mr. MacGillivray. Umpire, Mr. Morse, of Georgia. Time of game, twenty minutes each.

FOREST HILLS HAVE EASY TIME

Take Measure of Church Hill Eleven by Score of 18 to 0.

The strong Forest Hill eleven put it on the Church Hill boys in a one-sided game of football yesterday by the score of 18 to 0. The game was played on Forest Hill's gridiron at Forest Hill.

The Forest Hill boys won by their superior weight and the Church Hill eleven was lucky to get away without a much larger score. Church Hill fought the Forest Hill boys hard, and every foot of ground gained by the heavy eleven was hotly contested. Forest Hill outweighed Church Hill eighteen pounds to the man. The pretty end runs of Netherwood, for the Forest Hill eleven, were the features of the game, two of them ending in touchdowns, while one put the ball on the five-yard line, and Lloyd carried it over. Reideman played the best game for the Church Hill team.

The players on both teams are so well pleased with the clean playing of every man that another game will be played if arrangement can be made. The line-up:

Forest Hill. Position. Church Hill. Anderson.....left end.....Seldom Cheatham.....left tackle.....Buller Pitts.....left guard.....H. Doyle Weisker.....center.....Perdue Hooper.....right guard.....Crawder Banks.....right tackle.....Wharton Berryman.....right end.....Cox Netherwood.....left half back.....Atkinson Lloyd.....quarter back.....Timberlake Tompkins.....right half back.....J. Doyle

Summary: Score—Forest Hill, 18; Church Hill, 0. Touchdowns—Lloyd, Netherwood, 2. Referee, Frank (John Marshall High School). Umpire, Jones (Fork Union). Head line-man, Pulliam (John Marshall High School). Timekeepers, Gibbs (Harvard), Williams (Richmond Academy).

BRICKLEY'S TOE GAINS DECISION OVER JUNGLE

Field Goal Wins for Harvard Over Princeton's Fighting Tigers.

Princeton, N. J., November 8.—Harvard shattered an ancient football tradition here today by defeating Princeton on her own ground. The Score was 3 to 0. Credit for the victory goes in great part to Charles Brickley, whose solitary goal from the field solved a problem for Harvard which the mud and rain would otherwise have baffled.

TRADITION GIVEN AN AWFUL JOLT

First Time in Generation That Old Nassau Has Been Humiliated on Own Field—Mud Covers Gridiron, Making Systematic Play Impossible and Discounting Speed—Captain Hobie Baker Misses Several Tries for Goal—Princeton Attack Surprising.

Princeton, N. J., November 8.—Harvard shattered an ancient football tradition here today by defeating Princeton on her own ground. The Score was 3 to 0. Credit for the victory goes in great part to Charles Brickley, whose solitary goal from the field solved a problem for Harvard which the mud and rain would otherwise have baffled.

Played on a field inches deep in mud, the finer points of football were absolutely lost, and the teams wallowed and slid about the gridiron waiting for an error to give them opportunity to score. Harvard's chance came in the second period when, during a punting duel, Law, who did the kicking for the Tigers, had one of his low drives blocked by Gilman, the Crimson right tackle. The ball, rolling toward the Princeton goal, was followed by a slipping, scrambling mass of players. When the spheroid was finally corralled on Princeton's 12-yard line it was a pair of mud-covered Crimson arms that held it. Harvard tried two line plunges. The Orange and Black forwards held firm, and it was evident that if the Crimson was to score it must be by Brickley's educated toe.

Despite the short distance to the goal bar, the conditions were such that a failure would have been entirely excusable. But Brickley, stepping back to the 20-yard line, carefully wiped the mud from his famous propelling boot, and sent the ball sailing across the Princeton goal bar for the score that sent Harvard home with their first victory in Jungletown in a generation.

Although Brickley's winning goal will go down in football history as a puny affair of just about (Continued on Third Page.)

Summary: Harvard—Field goals, 1; touchdowns, 0; points, 3. Princeton—Field goals, 0; touchdowns, 0; points, 0. Referee, Mr. MacGillivray. Umpire, Mr. Morse, of Georgia. Time of game, twenty minutes each.
